

THIS WEEK'S NEWS

Thanksgiving Chapel

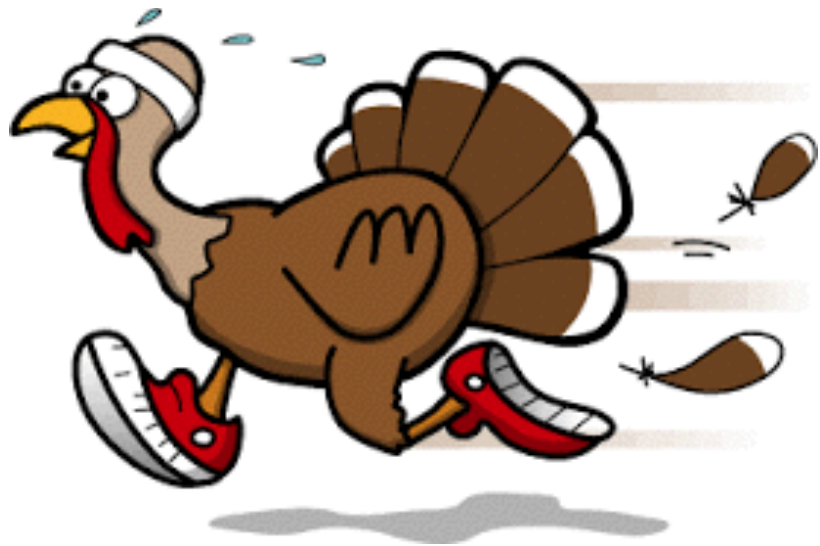

In the past, we've done a big celebration at our Thanksgiving Chapel. This year, however, we've decided to do a simpler chapel. Families are still welcome to attend, but we will most likely not be performing or doing any sort of production. There will also not be a feast included in this year's chapel.

Classroom Website

I'm looking for some feedback on the classroom website. Is it useful? Do you use it (often or sporadically)? Is there anything else you'd like to see on it?

I haven't been keeping up the class blog. Is this something families would like to read?

I'd love to hear whether or not it's useful, and maybe some ways I can make it more useful to you.

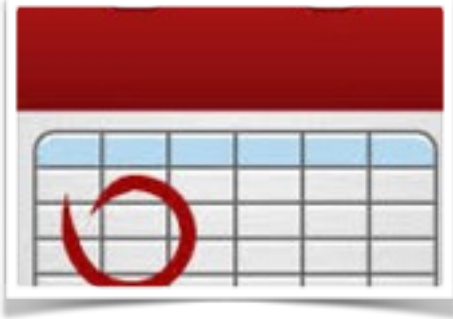

Turkey Trot

Don't forget that our Turkey Trot fundraiser will be **this Thursday, November 19** during our PE time. Parents are invited to come cheer their student(s) on during this time. If you'd like to do that, our PE time is from 12:30-1:00, and the Turkey Trot will take place in the gym. Please check in at the office prior to coming to the gym.

The Turkey Trot packets were due back today with pledge information (not necessarily payment, as we don't know how many laps your child will run!). If you haven't gotten yours in yet, please still send it in! We can still tabulate and prep for Thursday's event if you get them in tomorrow.

What a fun event this will be! :)

****This is a great way to stay up-to-date on what's happening in the classroom! I have a blog about what we do in class, as well as informational pages and digital copies of many of the documents I send home with your child.****

Operation Christmas Child

Tomorrow is the deadline for bringing in a shoebox for "Operation Christmas Child" here at Silverton Christian School. If your family is putting together a shoebox (or more than one), please remember to bring them or send them to school with your child **tomorrow, November 18.**

We'll gather up all of the boxes from SCS and take them over to the Baptist church, where they are gathering more boxes from our community. They'll make sure they get to the right location to be processed and shipped around the world.

Don't forget! In order for your shoebox to be shipped, please include \$7 to help with the costs. This can be paid ahead of time online (information on the brochure), or money can be sent in the shoe box.

If you choose to wrap your shoebox, **don't wrap it closed!** In order to ensure safety in shipping, the boxes need to be opened and checked by those processing the boxes. You are more than welcome to wrap the boxes, but make sure they can be opened without tearing! :)
